

**Chacmool Press**

*Advance praise for Matthew Olshan's*

# **The Flown Sky**

An impossibly enjoyable, upside downish, totally convincing darling of a story.

—**Ben Reynolds**, Center for Talented Youth, Johns Hopkins University

This is a completely unique title that will appeal to children who like fantasy, cuddly creatures, strong females, or word play. Its readers will appreciate the intriguing and somewhat sympathetic villain, Prospero.

—**Susan Johnston**, Collection Development Manager for Youth Services, Ingram Book Company

*The Flown Sky* is inventive, charmingly written, and certain to entertain. Mr. Olshan creates his own private island, patrolled by a lonely but plucky girl, a bad queen, and wonderful troops of talking fauna, unfolding an adventure in each bright chapter.

—**Professor Jean McGarry**, Writing Seminars, Johns Hopkins University

After hearing a bit of Eena Beena's story out loud, my guests, all fellow writers, fought over who would borrow *The Flown Sky* first.

—**Jane Conly**, Newbery Award-winning author

Every once in a while there comes a story so beautifully written that you can barely resist grabbing it from your child's hands to savor yourself. *The Flown Sky* is such a tale. Its lovely imagery and charming miniature characters will awaken and tickle a young reader's imagination!

—**Mary Jo Kirschman**, Librarian, Roland Park Elementary-Middle School, Baltimore
